**RE : CANCELED SHIFTS DUE TO FLOODING**

---

This is John Durlov from Human Resources at National Steel Car, calling to let you know that 12 hour shifts for Sunday Jan 13, 2013 and Dayshift, 8 and 10 hour shifts for Monday Jan 14, 2013 will be cancelled due to excessive flooding in the plant, with the following exceptions. Please listen carefully. Employees working in F-1 Tri-level Decal Position and Flat Car Decal position, F-3 Blast and Paint and P-7 Shipping are to report to their regularly scheduled shifts. F-1 Blast and Paint and F-2 Blast, Paint and Finishing will not be working. The flooding situation will be re assessed Monday morning, at that point if you DO NOT receive a phone call, all employees are to report to their regular scheduled afternoon shift and 12 hours shifts for Monday Jan 14, 2013.

Thank you
