Greetings:

Pursuant to Article IX of the International Constitution, the Officers of USW Local Union 7135 are hereby suspended from Local Union office and an Administratorship is established over the affairs and property of the Local Union.

This action is being taken, in the best interest of the USW, because there is reason to believe that it is necessary to assure the performance of the collective bargaining agreement and other duties of a bargaining representative and to otherwise carry out the legitimate objects of the International Union and the Local Union.

Staff Representative Tom Walsh has been appointed Administrator. You are instructed to turn over to him all books, records, property and effects of the Local Union that are in your possession or control. There will be a hearing and investigation conducted by an International Commission, which will notify you of the date, time and place of its hearing. Please feel free to attend that hearing or to provide any written comments you have to the Commission.

In solidarity,

A handwritten signature in black ink that reads 'Thomas Conway'. The signature is written in a cursive style with a long, sweeping tail on the letter 'y'.

Thomas M Conway
International President
